

Subject:- Request for Assignment Submission Extension

Dear Professor,

I hope you are doing well. I am writing to request a short extension for the submission of my assignment due to unforeseen circumstances. I have been unwell for the past few days, which has affected my ability to complete the work on time.

I sincerely apologize for any inconvenience caused. I assure you that I am working on completing the assignment and will submit it at the earliest possible date.

I would be grateful if you could grant me an extension of a few days.

Thank you for your understanding.

Sincerely,

Azalfa Ansari
